1. FINANCE CHARGE CALCULATION METHOD

Cash Advances – The FINANCE CHARGE on Cash Advances is calculated in accordance with Method F which is described later in this document.

Credit Purchases – The FINANCE CHARGE on Credit Purchases is calculated in accordance with Method G which is described later in this document.

2. VARIABLE RATE INFORMATION – The ANNUAL PERCENTAGE RATE may vary annually based on the prime rate reported in the Wall Street Journal. Any increase or decrease in the ANNUAL PERCENTAGE RATE will be effective September 1st as of the rate reported on August 1st. The ANNUAL PERCENTAGE RATE will be equal to the prime rate plus 3.0 percent. The ANNUAL PERCENTAGE RATE will never be higher than 12.0%.

3. PERIODIC RATE: ANNUAL PERCENTAGE RATE – VARIABLE PERIODIC RATE

Credit Purchases – The Periodic Rate used to compute the FINANCE CHARGE for Credit Purchases is 1/12 of the ANNUAL PERCENTAGE RATE.

Cash Advances – The Periodic Rate used to compute the FINANCE CHARGE for Cash Advances is 1/12 of the ANNUAL PERCENTAGE RATE.

MINIMUM PERIODIC PAYMENT – The minimum periodic payment required is the total New Balance as shown on your monthly billing statement if the amount is under \$10.00. If the New Balance exceeds \$10.00 the minimum periodic payment is 2% of that portion of the New Balance which does not exceed your credit limit, plus the entire portion of the New Balance in excess of your credit limit, plus any amount past due, or \$10.00, whichever is greater.

4. OTHER CHARGES

Annual Fee – There is no annual fee for this card.

Late Charge – Fixed – If the minimum required payment is not received within 7 days after the Payment Due Date, a late charge of \$25.00 shall be imposed.

Overlimit Fee – Fixed – In the event Cardholder incurs charges in amounts exceeding the maximum authorized credit agreed to by issuer, Cardholder shall pay immediately the amount by which the total New Balance exceeds such maximum authorized credit and an overlimit fee in the amount of \$25.00 shall be imposed.

5. SECURITY INTERESTS – If you have other loans from Issuer, or take out other loans with Issuer in the future, collateral securing those loans will also secure your obligations under this agreement. However unless you expressly agree otherwise, your household goods and primary dwelling will not secure your obligations under this agreement even if Issuer has or later acquires a security interest in the household goods or a mortgage on the dwelling. If you have executed a written agreement granting a security interest in any deposit accounts (checking, savings, or share accounts) or other funds held by Issuer to secure your obligations under this credit card plan, such accounts and/or funds are additional security for your obligations to Issuer arising from the use of your Card.

6. BILLING ERRORS/CARDHOLDER'S RIGHTS – See “Your Billing Rights” on the reverse side for important information regarding your rights to dispute billing errors.

FINANCE CHARGE CALCULATION METHODS

METHOD F – A FINANCE CHARGE will be imposed on Cash Advances from the date made or from the first day of the billing cycle in which the Cash Advance is posted to your account, whichever is later, and will continue to accrue on the unpaid average daily balance of such Cash Advances until the date of payment if paid during the same billing cycle, or until the closing date of the billing cycle preceding the date on which the entire new balance is paid in full or until the date of payment is more than 25 days from the closing date. If the new balance shown on your monthly statement for the prior billing cycle is paid in full within 25 days from the closing date of the statement, no FINANCE CHARGES will be imposed during the current billing cycle for Cash Advances posted to your account during previous billing cycles.

The FINANCE CHARGE for a billing cycle is computed by applying the monthly Periodic Rate to the average daily balance of Cash Advances which is determined by dividing the sum of the daily balances by the number of days in the billing cycle. Each daily balance of Cash Advances is determined by adding to the outstanding unpaid balance of Cash Advances at the beginning of the billing cycle any new Cash Advances posted to your account, and subtracting any payments as received or credits as posted to your account, but excluding any unpaid FINANCE CHARGES.

METHOD G – A FINANCE CHARGE will be imposed on Credit Purchases only if you elect not to pay the entire New Balance shown on your monthly statement for the previous billing cycle within 25 days from the closing date of that statement. If you elect not to pay the entire New Balance shown on your previous monthly statement within that 25 day period, a FINANCE CHARGE will be imposed on the unpaid average daily balance of such Credit Purchases from the previous statement closing date and on new Credit Purchases from the date of posting to your account during the current billing cycle, and will continue to accrue until the closing date of the billing cycle preceding the date on which the entire New Balance is paid in full or until the date of payment if more than 25 days from the closing date.

The FINANCE CHARGE for a billing cycle is computed by applying the monthly Periodic Rate to the average daily balance of Credit Purchases, which is determined by dividing the sum of the daily balances during the billing cycle by the number of days in the cycle. Each daily balance of Credit Purchases is determined by adding to the outstanding unpaid balance of Credit Purchases at the beginning of the billing cycle any new Credit Purchases posted to your account, and subtracting any payments as received and credits as posted to your account, but excluding any unpaid FINANCE CHARGES.
